

Biomedical Scientists & Associate Practitioners - Histopathology

Bands 4, 5, 6 or 7 - £29,700 to £52,000 (Full-time 37.5 hrs)

Develop your Career with Dissection, MOHS Frozen Sections and Digital Pathology

Pre-registration & specialist portfolio are fully supported

Cellular Pathology Services Ltd is a UKAS accredited private laboratory providing quality services to the independent and NHS sectors. CPS is located in Watford within modern purpose built premises.

Due to expansion/replacement we are seeking to recruit 4 highly motivated and

flexible approach to the required hours of work and thrives under pressure.

Graduates with IBMS accredited degrees with experience in Histopathology are encouraged to apply and will be supported to attain HCPC registration. Post holders will perform routine & complex histopathology laboratory investigations commensurate with the grade and should have experience in routine histological techniques, immunohistochemistry, dissection & special stains. Experience in cutting frozen section and Mohs is desirable.

Flexible working pattern is in place covering 7:00 to 19:00 Monday - Friday.

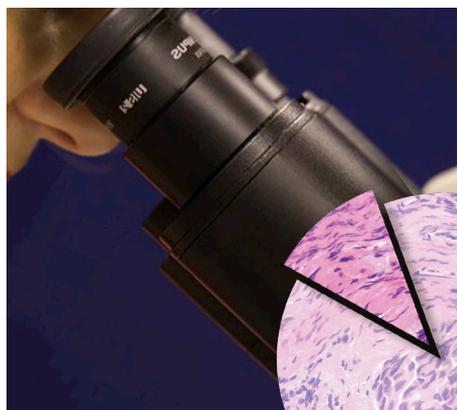

Staff benefits: competitive salary, annual performance bonus, pension scheme & private health insurance. Candidates must be eligible to work in the UK.

The email address on job application will be used for all correspondences

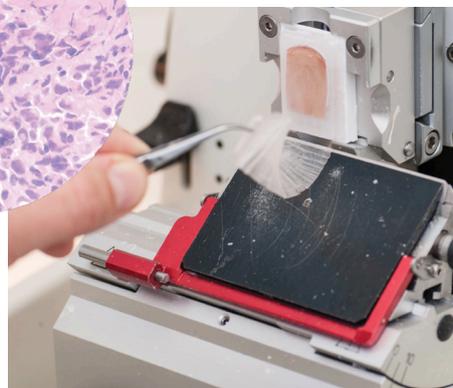

By applying, you authorise CPS to confirm any current and previous experiences. DBS check will be undertaken.

For information/visit, contact the Director of Quality & Training, Elaine Moore on **01923233299** or by emailing **HR@cellpathservices.co.uk**.

Application forms are available on www.cellpathservices.co.uk. Completed applications and current CV should be emailed to **HR@cellpathservices.co.uk**

enthusiastic Associate practitioners and HCPC registered BMS's (band 4, 5, 6 or 7) to join our friendly laboratory. Our staff have strong team spirit and show initiative with a "can do" attitude. You need to be a self-starter who has a
